Esther WELCA January 2020 Meeting

Treasurer Report: \$1,917.85 checking

\$5,109.83 Memorial/Savings

Dear WELCA members:

We had our first meeting of 2020. Thanks to all who attended.

Every three years we mix up the Circles. That has been done. The Esther Directory will have all circles listed. Please see the directory to see which circle you are on. Directories are scheduled to be available by March 1st. Note the circles all have names to make it easier for us to remember which one we are on. You will be on Ruth, Naomi, or Martha circles.

The directory will also have the calendar of events listed as well. Please note **October 8th will be the 2020 FALL CONFERENCE** meeting at **Esther**. Thirty-three churches will be invited which will be 80-100 guests. We will need help from everyone for this event. The day will start with registration, coffee and treats, business meeting, communion, a speaker, and a lunch. It is typically finished, except for the cleanup, shortly after lunch.

The calendar also has listed members to do devotions/hostess for each WELCA Sunday morning meetings. I Have sent this to everyone to review, many have responded you can serve as listed. If something comes up, please let me know and I will find someone to change with your dates.

The directory will also have some detailed information on serving funerals, serving potlucks, and info from the last ice cream social. Everyone will have the information to go forward for the 2020 ice cream social. I have gathered together many notes that everyone has turned in and put them all into information for us to use.

I am putting a book in the kitchen for reference which has all the information in it as well. It also has the last 6 years of ice cream social. There are sheets made up for each circle to use and document what is used for the upcoming event. The book will be put by the knives outside of the ovens for reference. If there is anything that needs to be added or changed, please let me know and I will make those changes.

We also approved having Silver Creek Cabinetry install roll outs in the center island and sink cabinets and a pan organizer for above the double ovens. We also have asked them to provide a drawing of a movable cabinet for extra serving space.
